EVERYTHING INCLUDED

UOE Hub offers many more benefits too

Co-working spaces like the UOE Hub enable small businesses owners to not only get work done, but also network and collaborate with each other on a daily basis.

Freelancers and small businesses find it inspirational to work in our co-working space in the centre of Hertford and includes everything you need to get the job done including:

- 24 hour a day access, 7 days a week
- Meeting room hire (ideal for showcasing new projects and ideas to prospective clients in a professional environment)
- Discounts at UOE Store (located below the UOE Hub) include printing, stationery and Espresso Bar
- Easy access to the Post Office conveniently located below the UOE Hub
- Superfast, unlimited WiFi

WHY HERTFORD?

A great place to work, especially if you run a small business

Hertford is a historic market town with a healthy economy, just 20 miles north of London.

Not only will you benefit from avoiding London rents, you will also prosper from our great business networking community. If you do need to meet clients or colleagues in London, Hertford offers direct access via two train lines: Hertford North (12 minute walk) and Hertford East (5 minute walk)

VIRTUAL OFFICES

The spice of life

Is your work mobile or do you work from home but don't want to give out your residential address? Well you don't have to. UOE Hub can help you even if you don't need or want to rent a physical office, or even a hot desking space.
